HORSE RANCH RESCUE CENTER INC.

Grooming Sponsorship

What is our Grooming Sponsorship Program?

Our grooming sponsorship is where you can come out 1-2 times per week and groom the horse of your choosing! You spend time bonding with your sponsored horse and they even look forward to your visits! This is a great program for anyone that is looking to bond with a special horse and spend some relaxing time with them.

- You must take 1 grooming lesson to learn how to handle the horse and groom them.

Sponsorship of one of our sanctuary horses at DreamCatcher Horse Rescue contributes towards your sponsor horses monthly necessary costs to keep them healthy, from feed to vet care 100% goes directly to the horse!

How much does it cost?

Our grooming sponsorship is \$200 per month and you can come 1-2 days a week (must schedule your days to confirm availability)
